To assist in providing you with the best possible health care we would appreciate payment of your account on the day of your appointment.

Current Medicare benefits provide the opportunity for rebated sessions. If you require further information regarding these schemes please speak to OTFC admin staff.

**\*please note:** all clients referred under the FPS Medicare rebate or Autism Medicare initiative will require a written report forwarded to the referring GP or specialist in order to validate the FPS.

**\*please note:** all clients referred under the "Helping Children With Autism" Initiative please refer to the HCWA schedule of fees.
